Macrolote para desarrollo en Playa del Carmen

Property sheet · ID02732

FEATURES

LOT AREA

500000 m²

OPERATION

Venta

DESCRIPTION

Large lot for sale for development Approximate area: 50 hectares Large lot with an approximate area of 50 hectares, ideal for large-scale real estate development or for a subdivision project, in accordance with the corresponding studies, permits, and land uses. The property has a strategic location, situated behind the Calica area, approximately 5 linear kilometers from the Carretera Federal, which makes it an attractive option for urban, residential, tourism, or mixed-use growth projects, subject to applicable regulations. The land has approximate dimensions of: 500 meters wide 1,000 meters long Its size and configuration allow for flexible project planning, with potential for internal roads, green areas, and development phases, according to the master plan that is defined. This property represents an investment opportunity for developers and investors looking to acquire land with medium- and long-term growth prospects, in an area with economic activity and regional expansion.
