Private property, deeded, and everything in order!! Don’t miss the chance to be part of this major economic growth in the area, with more than 600 million dollars committed to developing this rapidly expanding tourist destination, driven by the high volume of international cruise arrivals. Mahahual has a Tren Maya station, making access easy. Meanwhile, the Government of the State of Quintana Roo announces that Royal Caribbean International plans to create approximately 3,000 direct jobs with a very high economic impact in the area. Today it is estimated that approximately 2 million people arrive per year, and projections indicate that by 2030 there will be an impressive increase to up to 5 million people per year.
